Upgrade To Reactivate Your Account

Your account has expired or been canceled. To continue using Bluemix, provide your billing information. This will unlock the full power of Bluemix with a Pay-As-You-Go account including Infrastructure, Applications, and Services.

You'll still be eligible for free runtime and service allowances, and you'll only be charged for paid resources that you use.

For more information on billing and other upgrade details, see [Upgrading and unifying Bluemix and SoftLayer billing accounts](#).
